School Improvement Plan Overview 2024-25

Priority 1 – To develop a highly effective curriculum	
Curriculum development	• Work with staff to create whole school 'Big Ideas' generated from What Matters statements. • Identify enquiry questions/themes for each year group. • Map progression across each year group. • AOLE leads to be fully involved in planning processes.
Cross Curricular Skills	• To ensure the effective development of Cross Curricular Numeracy Skills • To ensure the effective development of Cross Curricular Digital Skills
Priority 2 – To develop pedagogy to ensure good standards of teaching and learning	
Assessment	• To continue to develop effective and consistent practices of AfL.
Well-being and behaviour	• To use consistent positive reinforcement: To develop routine procedures for reinforcing, encouraging and celebrating appropriate behaviour.
Learning Environments	• To improve learning environments focussing on the independence of all pupils.
Priority 3 – To improve standards in RVE and enhance Values and Ethos as a CiW School	
RVE	• To provide effective challenge and increase depth in pupils' understanding and knowledge.
Worship	• To improve the quality of collective worship.
Anti-Racism	• To develop a whole school community culture of anti-racism.
Minor Priorities	
• To improve reading resources for younger pupils. • To restructure pupil voice groups and ensure they have a positive impact on pupil experiences. • To continue to develop monitoring practices to ensure a clear focus on identifying strengths and areas for development. • To achieve Schools of Sanctuary accreditation. • To achieve Siarter Iaith Arian.
